

WAS CHICAGO'S FAULT

Hog Market Tumbles Down 5 to 25 Cents.

TOP PRICE WAS \$5.65

Cattle Were 10 to 15 Cents Lower.

The hog market took a tumble yesterday. Chicago had thirty-two thousand and that was the pretext for lower prices. The market here opened five cents lower. Later it was fifteen to twenty-five cents lower, but the receipts here were very moderate and that encouraged the buyers in the United States. The market here took a more liberal view of the situation. There were several car loads of hogs sold late and they brought within ten to twelve and a half cents of the previous day's prices. The top price was \$5.65 but the hogs that brought this price were sold early in the morning. At the close fair to good mixed packers brought \$5.50 to \$5.60.

Cattle. Cattle receipts were larger yesterday than for several days past, but the supply is still limited. Buyers and sellers generally quoted the market ten to fifteen cents lower.

IN AND ABOUT STOCK YARDS.

The hog market took a tumble down the grade yesterday. It cannot be expected that the market will keep going up all the time. There was a need for Chicago to get started at a few thousand hogs yesterday. The stock yards people say the switch engine has not relieved the situation at the yards. It has too much work to do. It is pretty trying on the nerves of shippers when the thermometer is dancing around above the ninety mark to have their hogs set off on a slow switch for an hour waiting for the switch engine to run them to the yards to be unloaded.

M. G. Wells of El Dorado marketed a car load of hogs yesterday.

C. H. Hopkins of Valley Center was in with a car load of hogs yesterday.

Okor & Peoples had forty head of cattle on the market from Kechi. They were driven in.

A. Johnson of Clearwater had a car load of hogs of his own feeding. He says they are going to have lots of corn in his section.

F. J. Kane of Argonia had in a mixed load of cattle and hogs yesterday. He is a regular shipper to this market.

William Riley of Blackwell and Dunaway & Son of Tonkawa were the Oklahoma shippers who had hogs on the late market yesterday. The buyers were liberal with them.

A. S. Vance of Walden had a car load of cattle on the market yesterday.

Losses Grain and Produce Market. Below find sales as made yesterday by sample on the Wichita Board of Trade basis, delivered Missouri river, to get price f. o. b. your station, deduct Kansas City rate from your station.
